Declaration of Consent to Process Personal Data

Surname and First Name:

Signing the following declaration, I hereby agree to the Goethe Institut's transferring of my personal data ("data"), which I have provided to the Examination Centre in the course of my registration and that which the Goethe-Institut may come into possession in the course of entering into future contacts with me, to the central customer database of the Goethe-Institut e.V. (a registered association) based in Munich, Germany, and thereby to the merging of said data with any other of my data which may already be contained therein.

I also grant permission to the Examination Centre, the Goethe-Institut, and its Head Office for the extensive use of my data not only in fulfilling their contractual obligations but also in conducting market research and for any advertising as well as marketing purposes related to offers made by the Examination Centre and the Goethe-Institut. As such, I agree to being sent relevant advertisements and/or inquiries for information ("information"), i.e. related to new course offers at the Examination Centre and the Goethe-Institut, via post to the address given, as well as, provided my prior consent, by phone, fax, and e-mail.

Furthermore, I consent to the transfer of my exam data to the Head Office archives, its storage thereof (for up to 10 years) and the processing of said exam data for the purpose of verifying its authenticity and issuing copies of certificates. Insofar as such information pertains to examinations which would authorise a spouse to settle in Germany within the framework of family reunification, I permit the Head Office to release such information at the request of German authorities and to verify any certificates which have been submitted to said authorities by me.

The Examination Centre and the Goethe-Institut do not allow my data to be transferred to or used by third parties for purposes other than the aforementioned, unless there is reasonable suspicion of the misuse of data.

I am aware that at any time I may object to my data being used with the aim of conducting market research, advertising, and marketing.
